

- We have Launched new Web Portal and Android App for Report view with Auto Data Synchronization.
- All voucher, account and products will be automatically synchronized with web portal.
- We can see all inbuilt reports on web-portal like, status report, account ledger, product ledger, receivable, payable etc..
- A new facility to enter new bank/cash receipt/payment entry on portal & application.

# <u>www.aakashinfo.com</u>

- All inbuilt reports provided in our software are also available on web-portal in "Report" menu.
- History menu shows all requested report from web-portal
- User can see report as per company selection when login. Current company can be changed by clicking on Company name on Portal.
- Working internet in Desktop is required and data Synchronization depends on internet speed.

# <u>www.aakashinfo.com</u>

- To Use Web Portal follow these steps:
  - Setup in Desktop Plus Software
  - Register in Plus Reports Web Portal
  - Login to Web portal

- Setup in Desktop Plus Software
  - Download latest Setup from <u>www.aakashinfo.com</u> or Update software from Exit -> Check for Update.
  - Go To Setup -> Software Setup -> Synchronization Setting and press Enter. Following screen will be displayed.

Setup				
Category	Description		Value	
Software Setup	Skin Name		GREEN	19
	Image Saved Path

# Aakash InfoWay Pvt. Ltd. Plus Reports Web Portal

- After setting Web Portal / App sync required option to YES, new option for Mobile entry for Access to Portal / App will be displayed.
- Web portal / App access is based on Mobile Nos defined here. Here we can set mobile no wise rights for access to Portal & App reports. For example if sales man is to be given rights for Outstanding report for His / Her area than set Account filter and like wise Product filter. Rights for Receipt / Payment entries, Status Report and other reports can also be defined here. If Alert Notification is required for Voucher entry in Desktop than you can select voucher types for Notification here.
